### **1. Premises**

1.1 [purposes](#) This directive sets the rules pertaining to the payment or reimbursement by KSB, to its elected representatives, of the expenses incurred by them while traveling for business purposes.

This directive also sets the rules pertaining to the accomplishment of business travel.

1.2 [definitions](#) In this directive, the following expressions are defined as:

- a) **business travel:** any form of travel on a short or long distance, required by KSB for professional purposes;
- b) **elected representative:** a school commissioner, an education committee member or the Kativik Regional Government representative sitting on the Council of Commissioners;
- c) **location of meeting:** the location where the elected representative has to go for meetings, work or business purposes, which is not in his community of residence;
- d) **Transport Services:** the Kativik School Board Transport Services, located in Dorval.

## 2. General principles

- 2.1        [application](#)    This directive applies to all KSB elected representatives (hereinafter called the “travelers”).
- 2.2        [principle of payment](#)    The basic principle of all payments or reimbursements for travel expenses is to indemnify the traveler for direct and necessary expenses incurred. This indemnification is not, at any time, to be considered as a form of compensation or remuneration for traveling on behalf of KSB.
- 2.3        [expenses covered](#)    The only travel expenses which may be authorized are those considered necessary for the accomplishment of the elected representative’s duties or mandate.
- 2.4        [room services](#)    Personal expenses such as room service, movie channel, alcohol, laundry and personal telephone calls may not be charged to KSB.
- 2.5        [obligation to be cost-effective](#)    All travel must be effected in the most efficient and cost-effective manner possible.
- 2.6        [promotion of the Nunavik economy](#)    Subject to section 2.5, all travel arrangements should strive to call on the services of Inuit travel agencies, Inuit transportation companies and other Inuit businesses (hotels, taxis, etc.) whenever possible and cost comparable so as to promote the Nunavik economy.
- 2.7        [approval of travel expenses](#)    All elected representatives’ travel expenses claims shall be approved by the Director-General.
- 2.8        [travel outside Canada](#)    For business travel expenses incurred outside Canada, all allowances are payable at par, in US currency. Two separate travel claims should be filled, using only one currency per claim.
- 2.9        [taxes](#)            Amounts for travel expenses covered in this directive include taxes, when applicable.

## 3. Required authorization to travel

- 3.1        [necessary form](#)    Any elected representative who needs to travel for business purposes must ask the Administrative Assistant at the General Administration to submit to Transport Services a "Request for Travel Arrangements", as shown in **Annex A**.
- 3.2        [least expensive means of transportation](#)    For all types of travel, the traveler is required to use the least expensive means of transportation available. He may be authorized to use the airplane, bus, train, taxi, rental car, personal vehicle or snowmobile.

- 3.3 [modifications to travel arrangements](#) Should the traveler modify his travel arrangements, he must notify the Administrative Assistant at the General Administration as soon as possible.
- 3.4 [maximum reimbursable](#) Should the traveler's choice of transportation be other than the least expensive one, he shall be reimbursed only the equivalent cost of the least expensive of the following means of transportation listed in section 3.2 and available to get to his destination.
- 3.5 [other arrangements](#) The traveler may settle with the Director-General on any other travel arrangements to better suit his needs, as long as it does not cost more than the cost of the hotel room when arranged by KSB.

<b><u>Procedure</u></b>	
3A) <a href="#">necessary request for travel</a>	For commissioners' travels and education committee members' travels, all requests for travel arrangements are filled by the Administrative assistant at KSB's General Administration.
3B) <a href="#">send request 10 days prior to departure</a>	To avoid any additional costs, the request for travel arrangements should be received by Transport Services <u>at least</u> 10 days before departure.

#### **4. Air transportation**

- 4.1 [use of charters](#) The General Administration may organize charters when scheduled flights cannot accommodate the travel needs of the travelers and when the additional costs are countered by appropriate savings in accommodation expenses.
- 4.2 [excess baggage](#) KSB shall not prepay nor reimburse expenses incurred for excess baggage. However, should KSB material be carried in excess of the usual elected representative's luggage, the Director-General may pre-authorize it.

<b><u>Procedure</u></b>	
4A) <a href="#">ticket delivery</a>	The traveler's ticket is delivered to the airline counter.
4B) <a href="#">maximum luggage free of charge</a>	First Air accepts 2 pieces of luggage but restrictions may apply on their dimensions. The traveler should check with the airline before departure.  Air Inuit accepts 2 pieces of luggage but restricts the weight to 30 kg for the Montreal/Kuujuaraapik route and 20 kg everywhere else in Nunavik.
4C) <a href="#">confirmation before departure</a>	In all cases, the traveler has to confirm his reservations with the airline at least 24 hours prior to his departure.
4D) <a href="#">presence at the airport</a>	The traveler has to be present at the airline counter at least one (1) hour before departure to avoid cancellation of his trip by the airline company.

## **5. Ground transportation**

- 5.1 [in nunavik](#) Expenses incurred by a traveler for transportation in a Nunavik community from and to the airport are reimbursed only when a taxi service is used.
- 5.2 [in the south](#) Ground transportation expenses are reimbursed for traveling between:
- a) the airport and the hotel;
  - b) the hotel or the airport and the location of a meeting.

- 5.7 [responsibility to declare the monthly distance](#) It is the sole responsibility of the traveler to make sure that he does not claim the full rate when his monthly 600 km limit is attained. Omission to do so may constitute a false declaration (see article 12.2 below).
- 5.8 [parking fees](#) KSB reimburses parking fees incurred by elected representatives during the course of their duties.

### **Car rental**

- 5.9 [reservation](#) Should a rental car be needed, the traveler must indicate it on the "Request for Travel Arrangements" form. Transport Services makes the reservation as per the request.
